

## 2019 Feed Appeal Grants Queensland

This the first year we have offered these grants in Queensland.

The Feed Queensland Appeal's mission is to nourish local communities through our capacity building grants.

Grassroots, Major Projects and Rural grants are given to existing food relief charities who offer meal, food pantry and hamper programs to those experiencing food insecurity in local communities throughout Australia.

Grants for cool rooms, refrigeration, food transport, food storage and kitchen equipment were also issued this year to improve the existing services and develop capacity to deliver more

The grant applications are assessed by state based review panels who allocate 60% of the total funds to charities, with the remaining 40% allocated to FareShare. FareShare is Australia's largest charity kitchens which rescues surplus food and cooks it into nutritious healthy meals which are distributed for free.

The 2019 distribution to FareShare in Brisbane will enable them to cook an additional 96,000 meals for distribution to local food relief agencies throughout Queensland.

### We are proud to award 7 grants.
