

2020 FEED APPEAL GRANTS

WESTERN AUSTRALIA

The Feed Appeal's overall mission is for no Australians to go hungry.

Feed WA Appeal grants build the capacity and capability of local food relief charities to grow, expand and deliver their food programs and nourish the local community.

Grassroots, Major Projects and Rural grants are given to existing food relief charities who offer meal, food pantry and hamper programs to those experiencing food insecurity in the local community.

We are proud to award 6 grants in 2020.
