

OVERVIEW One = One, Feed A Friend

Activity/Event Name: One = One, Feed A Friend

School Registration : Register and host anytime during term 4

Program Overview

Feed Appeal is focussed on nourishing the community and we believe hunger is a community problem that needs a community solution. According to the 2019 Food Bank Hunger Report, 5 million Australian are food insecure, 2 in 5 are children. Kids are our future and we want to empower them to be part of the solution.

The One = One, Feed a Friend campaign educates kids about this very real social issue. The campaign promotes leadership, community spirit and engagement while empowering kids to help feed their friends in rural communities across Australia. Every dollar raised provides a breakfast/lunch for a kid in a rural school who is hungry.

All monies raised through the One = One Campaign will go towards funding the Feed Appeal Rural Schools Grants Program. 100% of what is raised will be given in grants and we guarantee that what is raised in a state funds rural schools in that state.

The Statistics

Current national statistics indicate 1 in 8 students come to school without breakfast and/or lunch. With more than 3.6 million kids registered at Australian schools this means close to half a million are impacted each day. Teachers tell us this lack of food impacts behaviour, concentration and feelings of social isolation. Kids cannot perform at their best, meet learning outcomes and reach their full potential if they do not have access to food.

The Rural Schools Grants Program

Feed Appeals Rural Schools Grants applications are open and already more than 300 schools have expressed interest in applying.

For as little as \$1000-\$2000 per annum Feed Appeal Rural Schools Grant will enable schools to supply breakfast or lunch programs everyday of the school term.

Every kid in the successful applicant schools will be able to access a nourishing breakfast and/or lunch at school and this will support them to reach their full potential.

How to participate:

We make it easy, simply:

1. **Register** your school to host a One = One day during the program week, print the posters and get empowered to be part of the solution <click here> to register
2. **Host** your One = One, Feed A Friend day during term 4 get all the kids to bring in a gold coin donation. \$1 = 1 meal
3. **Bank** the funds into Feed Appeal account by 18th December 2020 to ensure your funds go towards the 2021 Rural Schools Grants.

My impact:

- Our guarantee is that 100% of what is raised through the One = One, Feed A Friend will fund the Rural Schools Grants Program
- What is raised in your state will support rural schools in your state
- Rural School Grants will be awarded at the beginning of the 2021 Victorian school year.
- Your school will receive a certificate telling you how many school breakfast/meals you provided and where the grants went in your state.
